# EASTER GREETINGS FROM OPEN DOOR MISSION

Spring 2025

This Easter, you are helping men like Jason discover a living hope through Jesus.

A combat veteran, Jason fought debilitating depression after he returned from Afghanistan. After burning bridges with his loved ones, Jason spent years on the road, moving from town to town and working odd jobs. Most nights he slept in his truck or in a sketchy hotel.

Jason often stopped at rescue missions like Open Door Mission when he needed clothing or a bite to eat. Like so many other men experiencing homelessness, he lived every day with disappointment and loneliness. The older he got, the more he felt he'd never escape the cycle of travel and finding false comfort in bars and drinking buddies.

When Jason stopped by Open Door Mission, a kind staff member offered him a hot meal and invited him to evening chapel—he surprised himself by saying yes. Jason was experiencing the real comfort of welcoming arms and sincere encouragement—comfort that Open Door Mission can only provide because you give lovingly and generously.

Jason entered our DoorWay Recovery Program, where he found safety, healing, and the message of living hope through Jesus Christ. With counseling and life skills classes, Jason is now rebuilding emotionally, spiritually, and practically—and planning to reconnect with his family.

As Easter approaches, Jason is looking at life with hope... living hope!

The gifts you give to Open Door Mission turn into the satisfying meals, safe nights of shelter and life-changing programs that help each man begin to hope again. Your generosity will continue to share the promise of renewal, healing, and hope with men just like Jason.

**Will you give today to help more men find freedom and faith this Easter season?  
We thank you for your support. May God continue to bless YOU abundantly!**

With gratitude
